

Here's a professional and clear **job post** you can use on platforms like **Upwork**, **Fiverr Pro**, or **Toptal** to hire a developer for your e-commerce dropshipping site:

Job Title: E-commerce Website Developer (Dropshipping Integration)

Job Description:

I am seeking a skilled and experienced web developer to **build a professional e-commerce website** that supports **dropshipping**. The site should allow customers to browse products, place orders, and have those orders **automatically fulfilled through third-party platforms** like **Amazon or similar suppliers**.

This is a **contract-based remote job** with the potential for future maintenance or upgrades.

Key Responsibilities:

- Develop a fully functional e-commerce website (Shopify or WooCommerce preferred)
 - Integrate order automation tools to source products from Amazon or similar platforms
 - Set up secure and reliable **payment gateways** (e.g., Stripe, PayPal)
 - Create a **responsive, user-friendly** design for desktop and mobile
 - Ensure **basic SEO setup**, security features, and fast load times
 - Add standard legal pages (Privacy Policy, Terms, Shipping, Returns)
 - Optionally assist in setting up analytics and marketing integrations
-

Preferred Skills and Experience:

- Proven experience building **dropshipping or affiliate e-commerce sites**
 - Proficiency with **Shopify, WooCommerce, or BigCommerce**
 - Familiarity with **Zapier, Dropified, AutoDS**, or similar automation tools
 - Knowledge of **HTML/CSS/JavaScript**, Liquid (for Shopify), or PHP (for WooCommerce)
 - Ability to recommend third-party apps or plugins to improve workflow
 - Good communication and time management
-

Deliverables:

- Live, launch-ready e-commerce site
 - Admin dashboard walkthrough and brief documentation
 - Basic training on adding/removing products and handling orders
 - (Optional) 30-day post-launch support
-

Timeline:

Looking to complete the project within **3–4 weeks**, but open to negotiation based on complexity and features.

Budget:

Please send your **fixed price or hourly rate** with examples of similar projects you've completed.

To Apply:

Please include:

1. A brief cover letter or introduction
 2. Portfolio of previous e-commerce/dropshipping sites
 3. Your estimated timeline and cost
 4. Any questions or suggestions you have for this project
